

The diagram consists of two light blue rectangular boxes at the top, labeled '血族' (Blood Family) on the left and '姻族' (Affinity Family) on the right. Below these boxes is a larger light blue rectangular box labeled '三親等' (Third Degree of Kinship). Arrows point from both the '血族' and '姻族' boxes down into the '三親等' box, indicating that both types of family relationships are included in the third degree of kinship.
